# *Greetings!*

**“An investment in knowledge pays the best interest.”  
—Benjamin Franklin**

On behalf of Northpoint Cooperative Preschool, I am delighted to welcome you to our Annual Fundraising Auction Gala. It is an honor to have you join us for this special evening.

As Event Chair, I want to express my sincere gratitude for your unwavering support and commitment to our school. Your presence tonight reflects your dedication to making a lasting impact on our children and our community.

This auction is vital to our school's ongoing success, providing essential funding to maintain our building and infrastructure. Every bid you place tonight directly contributes to keeping our school thriving for years to come.

Thank you,  
Sara O'Neil  
Auction Chair

# *Fun Facts about our Little School:*

Northpoint Cooperative Preschool has served families in Northeast Tacoma & Federal Way since 1960. While Northpoint has had various locations over the years we have been at our current location since 1994.

Currently, the co-op is home to over 65 families!

Our building was constructed in 1924 and placed on the Historical Registry by Points N.E. Historical Society.

All three of our teachers are former co-op members!

# *Special Thanks To*

Twin Lakes Golf and Country Club, our member sponsor, Rene Ewing, and our contact Molly Lemaota for her help in coordinating our event.

Tammara McCarty, owner of Joyful Booth for the photo booth donation for this evening's event!

Charles Cortes, our videographer for our Fund-A-Need film.

And finally, a sincere thank you to our Auction Committee. These dedicated families put in countless hours to procure auction items and take on key coordinator roles. We truly appreciate their hard work and commitment.

# About Our Auctioneer

## **DAVE RYCKMAN Professional Licensed Auctioneer**

Dave Ryckman has been in the auction business for over 30 years with his first experience in benefit auctions taking place in 1993 at the inception of Stokes Auction Group, Inc. He immediately fell in love with being a part of an event where everyone is working together towards a common goal. He attended the Western College of Auctioneering and upon graduation was awarded the "ABC Award" by his classmates for his "Attitude, Bid Calling, and Conduct".

Dave served two years in the Stokes Auction Group office learning all aspects of the benefit auction process and understands the needs of the clients as well as their concerns. He has served alongside many auctioneers across the country and, in addition to creating lifelong friendships with them, has learned something from each one in keeping with his style of trying to learn something from every experience. In his desire to help in any way possible, he has served many different roles at benefit auctions making him a favorite of many chairs and volunteers.

**STOKES**

Dave enjoys spending time with his wife Chrissy and their two daughters. Dave's sense of humor and his thorough preparation before each event ensures the evening's success and allows all attending to go home knowing they helped a worthwhile cause and had fun doing it!

# *Rules & Procedures*

- Northpoint Cooperative Preschool (The Co-op) has worked to ensure that the items have been correctly described and cataloged. All descriptions have been provided by donors and have not been verified by the Co-op. The Co-op is not responsible for the accuracy of the descriptions or the condition of the item or package. Items and packages are sold AS-IS.
- A bid acknowledgment by the Live Auctioneer is a legal contract to purchase the item. In the Silent Auction, the bid you have written on the form, and designated by the Silent Auction Official as the top bid, is a legal contract to purchase that Silent Auction item.
- The auctioneer's decision will be final and he or she shall reserve the right to reject ANY bid which is a partial advance over the prior bid increment.
- The Co-op has been granted charitable organization status by the Internal Revenue Service. We are thus a 501 (c) 3 charitable organization, and your payments are tax deductible as a charitable contribution only to the extent provided by law.
- In accordance with IRS code, the amount paid on a winning bid in excess of the fair market value (as provided in the catalog or on the bid sheet) is considered to be a charitable contribution. The Co-op does not appraise the value of the auctioned items and all statements of value appearing in the catalog have been provided by the donors.
- Auction items will be awarded to one purchaser only. The top bid amount for an auction item will not be split among bidders who have agreed to pay a portion of the top bid amount. A purchaser who wishes to split the payment for an auction item must collect individual payments from the other guests and accept those payments as a partial reimbursement for the total payment the purchaser has made.

- Upon entry, each guest will be given a bid number. To bid in the Silent Auction, simply write your bid number on the Silent Auction form corresponding to the desired item. The bid number next to the highest bid amount at the end of the Silent Auction will be declared the successful bidder of that item. To bid in the Live Auction, hold your bid card with the number toward the stage so that the auctioneer can see it clearly. By bidding in the Live or Silent auction, each bidder agrees to these auction rules.

We encourage you to use Express Pay this evening by providing a credit card number at the registration table. The total amount of your purchases and winning bids for the evening will automatically be charged to your credit card. You will thus eliminate having to pay at the end of the evening. Instead, proceed straight to the gift certificate collection area or the item display table to pick up items or certificates you won at the end of the evening.

- We gladly accept your payment by personal check, Visa, MasterCard, or American Express.

- Payments may be made any time once the live auction has completed.

- If you do not provide your credit card number before the end of the evening, you must pay in full for all purchases and winning bids prior to leaving.
